Subject: 2016-11-29 - WAFB ST012 No drilling today - re-start wed or thurs - nested U40 and L59 North of Ulysses - SB18 East of Sossaman - and 2 step out wells west and north

FYI,

Drilling will not start at ST012 until tomorrow at the earliest, and maybe not until Thursday. There is one more proposed nested well to complete – UWBZ40/LSZ59, north of Ulysses Ave., and one soil boring – SB18 east of Sossaman Rd. In addition, at least two additional step-out borings/wells are required west and north of the site.
